Agreement for the Use of Computers and Telecommunications Parent Consent Form

The School of the Cathedral has chosen to permit student access to computer and telecommunication resources to further its educational goals and objectives. Reasonable care has been taken to assure the appropriateness and educational quality of the material available through the use of educational software and telecommunications. However, parents and guardians are warned that the School of the Cathedral and The Archdiocese of Baltimore do not have total control of the information on the Internet. Parents and guardians are the primary authority responsible for imparting the standards of ethical and legal conduct their child or ward should follow. Therefore, the School of the Cathedral supports and respects each family's right to decide whether or not their child may have access to this resource.

1. I am the parent/guardian of the below-named student. I have read the "Acceptable Use Policy for Computers and Telecommunications" ("the policy") and I have either explained it to my child/ward ("student") or I have assured myself that the student understands it. I also understand my own and the student's responsibilities regarding computer hardware, software, and Internet access at the School of the Cathedral.

I hereby consent to the student having access to, and use of, the telecommunications resources at the School of the Cathedral. I also hereby indemnify and hold harmless The Archdiocese of Baltimore and the School of the Cathedral from any claim or loss resulting from any infraction by the student of the policy or any applicable law.

I do not consent to the student having access to, or use of, the telecommunications resources at the School of the Cathedral.
